Chipping/Shredding Capacity	65mm (2½")
Chipping Blades	1
Shredding Hammers	8
Weight	70kg
L x W x H (cm)	71 x 61 x 60
Warranty	2 years

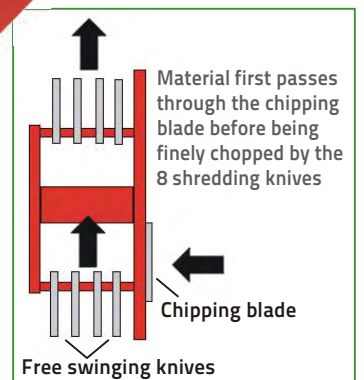

Single feed chute with a 2½" capacity for chipping and shredding

Feed chute can be easily disconnected for transportation or storage

Large easy to remove collection bag

Reliable Honda petrol engine

# C80 & C150 Chipper-Shredders

The CAMON C80 and C150 Chipper-Shredders are extremely tough and reliable units which feature a heavy-duty chipping blade for reducing branches and saplings to chippings in seconds.

These units also have an independent shredder feed which converts hedge cuttings, green waste etc into mulch quickly, effectively and without blocking. The side chute locks in an upright position for easy transportation and manoeuvrability.
